DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 9, lines 17 and 24, "density" has been changed to – form--, and in line 24, "member 84" has been changed to –member 40--.

Allowable Subject Matter

1. Claims 1-13, 15-27 and 29 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to claims 1-13 and 15, the claims have been allowed because the prior art of record does not disclose or suggest a compact package comprising a hosiery being compressed within a storage chamber to multiple times of loose, uncompressed form; a buffer material arranged upon the hosiery; a cover member retaining the hosiery and the buffer within the storage member; and a plurality of projections provided on an upper inside surface portion of the storage member, the cover engaging the plurality of projections.

In regard to claims 16, 17, 21-27 and 29, the claims have been allowed because the prior art of record does not disclose or suggest a compact packaged comprising a container body having a volume of less than 10 in³, such volume

size for storing a hosiery being compressed within the container body to multiple times of loose, uncompressed form; a cover member, separate from the container body, retaining the hosiery within the container body; and a cap member, separate from the container body mounted to the open end of the container body.

In regard to claims 18-20, the claims have been allowed because the prior art of record does not disclose or suggest a compact package comprising a container body having a volume of less than 10 in³, a hosiery being compressed within the container body to multiple times of loose, uncompressed form; a cover member having plurality of openings for retaining the hosiery within the container body; and a cap member mounted to the open end of the container body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
